

# Positions Vacant: Mechanics / Service Technicians

Looking for a new place to call home? Why not consider Temora NSW? We are centrally located between Sydney and Melbourne within the Riverina region of NSW. With a reputation as the state's "friendliest town", Temora is a place where your family can feel safe and secure. Offering a comfortable, affordable and relaxed lifestyle, Temora provides the perfect base for family, business and social interests. Temora is a prosperous rural service town with a healthy local economy providing an excellent variety of education, health care, shopping, sporting codes, recreational activities and employment opportunities for families. To discover more about Temora go to <http://www.temora.com.au>

**Intersales** is a well-known establishment in Temora that has been operating for over 50 years and has become one of the best farm machinery dealerships servicing NSW. We pride ourselves on customer service and satisfaction and have been named Case IH dealer of the year on numerous occasions, most recently in 2016. **Intersales** is a family friendly business with many long term employees and a diverse range of community involvement. We have full time positions available for Service Technicians. At **Intersales** you will be working with a team of vastly skilled technicians in a growing agricultural environment. With a tailored remuneration package including **above award wages, vehicle, phone, overtime and bonus system**, you will enjoy a busy and varied role, carrying out servicing and repairs on all sorts of agricultural machinery. You will be kept up to date with the latest technology by participating in specialised training on our products including Case IH, MacDon, JCB, Hardi, Honda, Morris Ag, Gason, Horwood Bagshaw and various GPS manufacturers.

As an employee of **Intersales** you will be motivated and hard-working, with a professional attitude, and a willingness to work as part of a team. Our staff are required to demonstrate initiative, have strong attention to detail, and be reliable and well organised. Excellent troubleshooting and diagnostic skills are needed to maintain our outstanding customer service. We encourage our employees to obtain additional certificates and further their skills where applicable. A current Automotive/Plant Mechanic Trade Certificate is essential and a current class C (or higher) drivers licence would be preferable.
